

A decorative geometric pattern in the top right corner, featuring a dark teal background with a complex, golden-yellow mandala-like design. The design consists of concentric circles and interlocking lines forming a star-like pattern. A small orange shape is visible to the left of the pattern.

# Mintmade Fashion

The background features several abstract elements: a large, light beige curved shape on the left; a black tilted rectangle in the center; a green line segment on the left side of the black rectangle; a white line segment on the right side of the black rectangle; and a brown circle at the bottom right corner of the black rectangle.
